Remarks: _____

Recommendations	Actions Taken by host / Program implementer	Degree or % of Compliance	Evidences of Compliance
1. Fire extinguishers may be checked regularly to ensure that the pressure is at the recommended level. Likewise, the administration may consider purchasing new fire extinguishers.	The University through its Facility Management Office (FaMO) maintains a regular monitoring of the fire extinguishers within the campus.	100%	Letter to the Director of the Facility Management Office
2. Laboratory Operations Manuals may be reviewed and be presented for approval by concerned authorities in the university.			
3. If the budget warrants, licensed computer software relevant to the program under survey may be purchased.			Letter to the Director of the Information and Communications Technology Office

4. The faculty in-charge may consider placing appropriate documents to support the different benchmark statements.
